Gift of travel

this holiday season

The holiday season is fast approaching so it's time to start shopping for the perfect gift for those special people in our lives. It's been a tough year for all Australians but also a time to re-evaluate what matters most – family, friends and supporting our communities.

Instead of the usual socks, perfume or books, why not give something unforgettable to help make up for some of the missed moments and memories the past year has deprived us of. And there's no gift that could be more meaningful or more memorable than the gift of an Australian travel experience. Not only will it delight that special someone but it is the gift that keeps on giving by supporting struggling communities and tourism operators.

'Tis always the season for a Great Barrier Reef snorkelling adventure, an indulgent winery tour or a hot air balloon flight. Imagine the surprise when an exciting city break or a tropical island escape is unwrapped. If you've been really good this year, why not treat yourself to an Ultimate gift and head to Uluru for the Ultimate Uluru Adventure.

Australia itself is the best gift shop in the world, full of unforgettable experiences ready to be wrapped up and tucked under the tree. You'll find a treasure trove of exciting gift ideas on the following pages, starting from as little as \$100.

If you can't find the perfect gift in this catalogue, don't worry. Viva Holidays has a huge range of travel experiences ranging from car hire to cruises to day tours and everything in between. There really is a travel gift for everyone.

All gifts can be purchased through your local Travellers Choice agent or gifted with a Viva Holidays or Ultimate Journeys Travel Gift Card redeemable through your local Travellers Choice agent.

Check out the amazing range of deals all designed to make the value of your gift stretch a bit further. Be quick – these gifts are only on sale until 31 January 2022.
